

## MINISTRY SAFE TRAINING FOR CHILDREN'S MINISTRY VOLUNTEERS

Although it may be uncomfortable to talk about, Sexual Abuse Awareness Training is the single most important step a ministry can take to reduce the risk of child sexual abuse. When staff members and volunteers are equipped with the "eyes to see" the grooming process of an abuser and key indicators of child sexual abuse, they are better able to protect children in their care.

**Once you have completed the training, see Monica for a candy bar!**

### Build Your Church

On Christ alone our Chief Cornerstone  
No other foundation can we build upon  
Not philosophy nor the wisdom of man  
All other ground is sinking sand

Upon this rock You build Your church  
And the gates of hell will not prevail  
When we bind and loose we proclaim Your truth  
And in Jesus Name we will not fail  
We'll never fail

Build Your church, build your church  
Build it from the ground up  
We're Your church
